

# Dance Classes and Supplemental Services

**BALLET** students will participate in barre and center work as well as jumps, leaps, and turns.

**CONTEMPORARY** students will participate in skills and terminology of modern dance. Focus on control, center, breathing, balance, strength, musicality and refining and articulating modern dance principals.

**HIP HOP** students will participate in a combination of lyrical jazz, artistic interpretation and hip hop dance. Focus is placed both on style and technique.

**TAP** students will participate in a syncopated movement dance style that is exhilarating and great fun for all ages.

**Liturgical** students will learn Christian forms of prayer and worship through bodily movement and how to incorporate them into worship services. As part of this class students may also learn to use flags, ribbons, and other tools.

**Supplemental Services** include mentorship, tutoring/academic enrichment, career development, spiritual development/growth, and assistance with maintaining a positive self-image.

Tuition is based on the calendar school year for 10 months. Tuition is billed at the beginning of each year with options to pay in full, ½ year or equal monthly installments.
